ROYAL CROWN DERBY
MADE IN ENGLAND

Rebel sets a new standard in luxury dining by turning it's back on convention and delivering English fine bone china with an industrial-chic twist.

Developed by Alchemists for over 4 years, every piece is dusted by hand with Royal Crown Derby's secretive 'dragon skin powder'. The result is as visually striking as it is original.

Endless depth of pattern and vivid colour spectrums provide a playground for the culinary artist where expression and individuality rule. For the diner, this collection is designed for the memory (and for that perfect Instagram shot).
